

GOTTA BARRAGE

Built in 1977 on Vamsadhara, the Gottabarrage irrigation project is located amidst lush green mountains. The scenic beauty of the location gives immense pleasure to visitors with channels on both sides flowing into agricultural fields of Srikakulam. This is the main source of richness of people in Srikakulam District. This project is at a distance of 45 kms. from Srikakulam.

A small village Ponduru in Srikakulam district is known as the land where the finest Khadi is woven. Khadi from Ponduru is famous among Khadi lovers of the entire country. Mahatma Gandhi is also said to have been surprised at the finesse of the khadi produced here and he always preferred khadi from this village. Khadi from this region is exported to various countries like America, Denmark, Japan and Sweden.

PONDURU

MADDUVALASA

Madduvalasa the biggest Reservoir was commissioned in the year 1977. About 15000 acres of land has been brought under cultivation. Surrounded by green hills and valleys, this project area is certainly a spot of tourist interest. It is at a distance of 70 kms. from Srikakulam.
